Note: North of Superior Healthcare Group (NOSH) acted as "project lead" and "paymaster" for the Integration Scenario Planning Project. This project was a NWLHIN wide project funded directly through Small Hospital Transformation Funds. No NOSH operating funds supported this project.

Basis for Non-Competitive Selection:

1. " To ensure compatability with existing products" - this procurement was for the update of previous work performed by the same supplier. Access to original documentation ensured consistency of data and efficiency of time and cost.
